President of the
EBAN

Come to the Invest Horizon Investment Forum in the Telefonica Mobile World Centre!

EBAN is pleased to announce that in partnership with Telefonica, the European Space agency, BANC and IESE, it will organize the next Investment Forum in Barcelona, in connection with the 4YFN and Mobile World Congress.

The Investment Forum will be held at the [Mobile World Centre](#) in collaboration with Telefónica Open Future, Wayra, the European Space agency and the local Business Angels Networks.

In the Forum, 20 innovative European start-ups will be pitching to a pool of European and local investors, representing an incredible opportunity for start-ups to get in contact with the investor ecosystem and to exchange with peers in the great city of Barcelona!

Further details will be released on due time

If you want to attend investor register by sending this [Registration](#) form to info@banca.com
